## REVISION OF MIDDLE SCHOOL CURRICULUM IN CHINA FOR 1954-1955

Jen-min Chiao-yu Peiping, Aug 1954

Γ

The ministry of Education of the People's Republic of China has revised the experimental curriculum for middle schools, and has issued the following table showing 1954-1955 curriculums.

All semesters indicated are of 18 weeks' duration except the second semesters of the third year of both junior and middle schools, which are 17 weeks each.

## No of Sessions per Week, by Semester

|                              |        | Junior Middle School |           |            |   |            |       |            | Senior Middle School |     |           |            |              |  |  |
